

ABHIVYAKTI 2019

“Mosaic Making Competition”

“Every artist was first an amateur.”

The wise lines said by Ralph Emerson take us to the context how children have a huge inclination towards the subject of learning and creating.

Gyan Mandir School, Naraina Vihar organized an interschool competition Abhivyakti 2019- Express Yourself on 8th May 2019. Our creative minds Jeevansh Rathore X-A and Omar X-E secured IInd position in the Mosaic Making Competition for their aesthetic creation at the competition. Mosaic is type of mural which is created by the use of small tiles and pasted over a surface with the help of an adhesive. The theme of the mosaic was Environment or Food nutrition. The theme taken up by our students was “Saving the mother Earth”. Also our other team of students including Ayush Verma, Swapnil Chakroborty and Suhani Bhardwaj of X-A received a Special Award for their participation in the Wall Art Graffiti Competition.

Congratulations!!!
