“GREEN WALL”

"The key is not the will to win. Everybody has that. It is the will to prepare to win."

Gyan Mandir School, Narayana Vihar organized an interschool competition Abhivyakti 2019- express yourself on 09/05/2019. Our students Chaitanya Mangla and Naysha Chaturvedi of class VIII D participated . They have made a model named '**green wall**' which reflected the concept of vertical gardening where a large number and variety of plants can be propagated in very less space .They have made this useful model by using non biodegradable material. This model was appreciated and liked by the judges. Our student won the third prize for their beautiful exhibit.
