

SCIENCE AND MATHEMATICS QUEST

An inter school competition science and mathematics quest was organized at St Marks Sr Secondary School, Meera Bagh. Our students Snehil Smriti of class XI B and Pranati Sindey of class XI B participated in the debate event on the topic **Cosmetic Surgery help to Improve Self esteem**. While Pranati spoke for the motion Snehil spoke against it.

Snehil was complimented by the judges for her incredible debating skills and content and she was awarded special prize.

It was a great learning endeavor for our students. Congratulations to both the participants.
