

CHETNA- NUKKAD NAATAK (AIR FORCE SCHOOL, CAMERO)

On 04 Oct 2019, 12 students of classes IV & V, participated in 'Chetna' - an interschool 'Nukkad Naatak' competition held at Air Force School Camero, on the theme 'Plastic ko Dhara se bhagao'. It was a proud moment for all when the team won the First Prize. The message conveyed by this winning team was that 'One Time Plastic Items' need to be completely banned. Their mesmerising performance, using attractive props, helped create awareness about the hazards of using plastic items like polythene bags, plastic spoons, forks, plates and straw.

The names of the participants are as follows:-

- | | |
|---------------------|------|
| 1. Rudra Mehrotra | IV A |
