

Renaissance 2020

Inter School Event

'The central task of education is to implant a will and facility for learning; it should produce not learned but learning people. The truly human society is a learning society, where everyone learns together.'" By- Eric Hoffer

In this global world of expanding opportunities, we, at The Air Force School strive to encourage the young minds to restore a sense of focus by taking up the challenges and forge ahead untrammled by the distractions. The students of the school participate in various inter school and intra-school competitions, where they not only prove their mettle but also present tough competitions for the other participants.

Samaira Malik of class IX-E and Arshia of class IX-B brought laurels to the school by bagging the first and the second position respectively, in The Online Annual Inter-School Fiesta, Renaissance 2020 organized by New Era Public School, Dwarka in the event The Real Stand-ups and Not Just News held on August 08,2020.

Technology is just a means to an end. Regular student activities are critical for keeping the students engaged and on task. The students of our school participated in this inter school event with great zeal and enthusiasm projecting their thoughts and ideas with clarity and confidence. It was a great learning experience too.
