

ANNUAL SPACE ART CONTEST 2017

The **Annual Space Art Contest 2017** was held at the Nehru Planetarium, Teen Murti House, New Delhi on 13 Feb 2017 for the students of various schools of Delhi –NCR region. The contest aimed to bridge the gap between art and science and introduce children to the colourful world of Astronomy. The topics for the art contest were as follows:

Age group - 9 to 12 years	Age group - 13 -16 years
<ul style="list-style-type: none">• ECLIPSE• ALIENS• SPACE TELESCOPES	<ul style="list-style-type: none">• COLLIDING GALAXIES• GALAXIES AND BEYOND• MARS MISSION

Six students of TAFS participated in the ANNUAL SPACE ART CONTEST 2017. Our student **Aryan Shivpuram of class VII-C** won first prize in painting competition in the age group of 9-12yrs. His painting depicting an eclipse proved to be a diamond ring for TAFS.
