

Shivam Verma of class V C participated in 'Planet Autism' an art exhibition conducted by Action for Autism at India Habitat Centre. Shivam meticulously brought out his heart & mind on a canvas which was selected out of many other art works for an exhibition.

Shivam's work was much appreciated by the audiences. This uniquely talented boy's efforts were not only acknowledged by the organisation, but his art work was sold out too. For the sale of his painting he received remuneration as well.

This achievement & encouragement will help Shivam to go a long way in winning laurels & hearts.
