On 29th August 2018, Wednesday, our school participated in the TAGFEST 2018, an annual event of Cultural Competitions organized by Tagore International School, East of Kailash.

Midhun P. of class X-D participated in the Canvas Painting Competition and secured **2nd position** among the other participants. The theme of the painting was 'CELEBRATION OF LIFE' to be painted on a canvas of 16x20 inches.

The painting by Midhun depicted the essence of life among a family of three with a varied background of nature and its resources. Media used was acrylic and ink pens. Midhun's painting had an aesthetic appeal with a great use of vibrant colors.
