SCHEDULE FOR PARENT TEACHER INTERACTION - CLASS XII

March 6, 2021 (Saturday)– MS TEAMS CLASS GENERAL CHANNEL

Dear Parents,

The Covid pandemic has created for us a world with a 'new normal'. During the pandemic we had to adapt to many new changes. In an effort to bridge the learning gap and give the students written practice for the upcoming board examination the common pre-board exams were held in the offline mode.

The TAFS Family invites the **Parents whose wards have appeared for the common pre-board exam to the Parent Interaction with your ward's Class Teacher to give teachers and parents**, an opportunity for open communication and conversation about the concerns and queries for the upcoming Board exams.

The interaction will take place between 2.30pm -4.30pm on MSTEAMS General Channel of the respective class & section of your ward.

Kindly note it is an individual parent interaction with the Class Teacher, so you are requested to follow the schedule for the Interaction. The Class Teacher will keep you in the waiting room according to schedule of serial numbers.
