

PHOTOGRAPHY CLUB ACTIVITY

The Photography Club of The Air Force School organized an activity called 'Beyond Auto Mode' on 31st Jan 2019 for classes VI-VIII. Two students from each section of VI, VII & VIII participated. The students enjoyed the activity. They took photographs in the open areas of the school.

The activity aimed at creating a love for photography among the students. It also aimed at developing skill of appreciating Nature & being observant.

Some of the photographs captured by the students are attached below:
